Pause Payments/Refund Policy

-  Fees are calculated weekly for the skating session (September - June). Once calculated, they are divided into your monthly payments.
-  Membership pause will only apply if athletes miss 4 consecutive training weeks or more. \$50 Administration fee will apply. Requests must be received in writing. Note: non-training weeks, such as Christmas, New Year's break, and May break, are not accounted in your ice cost, therefore, do not count towards your membership pause.
-  In the event Alberta Health Services, Skate Canada, the City of Edmonton, or EESC imposes any restrictions or experiences a decline in revenue (due to Covid-19), EESC may have to adjust number of days or hour the skaters may participate. In the event that numbers are reduced, ice fees may remain the same.
-  Refund Policy (retired skater, club transfer, etc.) will be subject to a cancellation penalty of two monthly payments. Fundraising commitments must be honored. Deposit cheques/payments will be processed in the case of non-participation. Requests must be received in writing.
