Pause Payments/Refund Policy

-  Fees are calculated weekly for the skating session (September - June). Once calculated, they are divided onto your monthly payments.
-  Membership pause will only apply if athletes miss 4 consecutive training weeks or more. \$50 Administration fee will apply. Requests must be received in writing. Note: non-training weeks, such as Christmas, New Year break, and May break, are not accounted in your ice cost, therefore, do not count towards your membership pause.
-  In the event Alberta Health Services, Skate Canada, or the City of Edmonton imposes any restrictions on number of participants, (due to Covid-19) EESC may have to adjust number of days the skaters may participate and will look at the cost ratio per participate. In the event that numbers are reduced, ice fees will remain the same.
-  Refund Policy (retired skater, club transfer, etc.) will be subject to a cancellation penalty of two monthly payments. Fundraising commitments must be honored. Deposit cheques/payments will be processed in the case of non-participation. Requests must be received in writing.
